

Alabama

Italicized text specifies a column name from a table within the source document.

Text within quotation marks denotes values within the tables.

Documents

- [Base IUP](#), pg 12
- [Lead IUP](#), pg 11
- [BIL IUP](#), pg 11

Sources

- **Borrower:** *Applicant Name*
- **PWSID:** *PWSID Number*
- **Cities Served:** No Information
- **Project Name:** Appendix B of each IUP
- **Project Description:** Appendix B of each IUP
- **Project Type:** *Appropriation fund being used* from each IUP specifies the source of funds. We denote projects funded by “DWSRF BIL-Lead” as related to Lead and categorize the others as General.
- **State Rank:** No Information
- **State Score:** *Priority Point Rank*
- **Funding Amount:** *Assistance Amount*
- **Principal Forgiveness Amount:** *Additional Subsidization (Principal Forgiveness)*
- **Disadvantaged:** *Disadvantaged Criteria*
- **Population:** *Population Served*
- **Fundable:** All projects included in the IUPs are fundable projects.

Caveats

- Alabama includes projects funded through the DWSRF program and ARPA, with no distinction between the two. As presented, the data does not differentiate how much of the listed funding is coming from which source, so some projects may be overreported in terms of how much SRF and IIJA funding they are receiving.
- Projects with "No Information" for their rank appear to be additional funding for projects proposed in previous years that have not yet received funding.
